Part 2 (Terms)

DP

1. Terms of Positive Covenant numbered one in the abovementioned plan.

Any dwelling constructed on the lot hereby burdened must have a minimum of 50% of the roof area drained to a rainwater tank(s). The rainwater tanks are to have a minimum capacity of 3000 litres and be plumbed for at least one domestic internal use (toilet flushing and/or laundry use). Any rainwater tank overflows, roof and hardstand areas of future development on the lot burdened must be connected to a suitable on site storm water disposal/infiltration system.

2. Terms of Positive Covenant numbered two in the abovementioned plan.

At the issue of Subdivision Certificate and in perpetuity the entire property (lot 1) shall be managed as Inner Protection Areas (IPA) as outlined within Section 4.1.3 and Appendix 5 of "Planning for Bush Fire Protection 2006" and the NSW Rural Fire Service's document "Standards for Asset Protection Zones".

3. Terms of Restriction on the Use of Land numbered three in the abovementioned plan.

The owner of the lot burdened may not subdivide the lot burdened despite a smaller lot size being permitted by the DCP.

4. Terms of the Restriction on Use of Land numbered four in the abovementioned plan

4.1 Building

No building shall be erected or permitted to remain erected on each lot burdened without the prior written consent of the Developer to the plans and specifications for the building which consent shall not be withheld if:

- (a) The plans and specifications have attached to it a report from a registered surveyor, architect, building designer or licensed builder certifying that on completion in accordance with the plans and specifications, the proposed building will comply with the Hawkesbury Development Control Plan (DCP), and the Redbank Design and Landscape Guidelines; and
- (b) the Developer in its absolute discretion considers that the plans substantially comply with the DCP and the Redbank Design and Landscape Guidelines.

4.2 Alterations

No alterations or additions may be made to any lot or any change to any building erected on any lot altering its colour, the materials used in its construction or the façade which does not comply with the requirements of the DCP and the Design and Landscape Guidelines. Nothing in this restriction shall prevent any work in the nature of repair or refurbishing that is consistent with the original construction.

4.3 Display Homes

No building shall be erected on a burdened lot or permitted to remain on a burdened lot which is used or intended to be used as a Display Home, other than by the Developer, or with the approval of the Developer (which approval will be given or withheld in the Developer's absolute discretion.)

4.4 Definitions:

- (a) "BD NSW" means BD NSW (MR) Project O007 Pty Ltd (ACN 123 888 773).
- (b) "Developer" means BD NSW and its successors in title to the Estate to which BD NSW assigns the benefit of this Restriction on use, provided the successor in title
