Dear Ms Binns

**RE: Endorsement of Yobarnie Keyline Farm CMP**

I refer to your recent enquiry regarding the endorsement of the Yobarnie Keyline Farm Conservation Management Plan (CMP), Masterplan and associated site specific exemptions.

The Conservation Management Plan for Yobarnie Keyline Farm was endorsed by the Director, Heritage Branch as the Delegate of the Heritage Council on 27 March 2013 that included the endorsement of a concept Masterplan.

The site specific Development Control Plan was also endorsed by the Heritage Council on 31 March 2015. Therefore, the site specific exemptions gazetted on 29 January 2013 are in force following the endorsement of the Masterplan and the DCP referred above.

If you have any questions regarding the above matter please contact Gary Hinder, State Heritage Assessment Officer, Heritage Division, Office of Environment and Heritage, on (02) 9873 8592 or by email at [gary.hinder@environment.nsw.gov.au](mailto:gary.hinder@environment.nsw.gov.au).

Yours sincerely
